

Why are we Sacramento's best Preventative Maintenance Membership?

"Highly recommend Crystal Blue to my friends and will use them in the future."

Karen

"We love Crystal Blue Plumbing, Heating and Air! All their technicians are thorough, honest, knowledgeable and friendly. We will recommend them to everyone we know!"

The Burgess Family

Did You Know That...

- ❖ 84% of furnace breakdowns are the result of dirty equipment.
- ❖ Over 50% of air conditioning systems we replace are due to lack of maintenance.
- ❖ Routine maintenance can save the average home about \$32 a month or over \$300 a year.
- ❖ Regular tune-ups can greatly reduce the risk of deadly carbon monoxide poisoning.

"Delighted to have Crystal Blue back at our personal home for the next round of maintenance, upgrades and new installs. We appreciate their attention to detail, prompt response and wonderful support staff."
